✓ none, 🗌 a	ıll, or	cable tax credits as allowed	

If tax refunds are being paid to the trustee, the debtor(s) will furnish to the trustee a copy of each federal income tax return filed by the debtor(s) during the pendency of the case and every request for extension of time to file a return, within 14 days of the filing of the return or the mailing of the request. In order to expedite the trustee's receipt of the refunds, the trustee may request that the court enter a tax intercept order so that the IRS will send the tax refunds directly to the trustee. If an amount other than "all" is to be paid into the plan, the trustee will refund the balance to the debtor(s) within 60 days of receipt, if the debtor(s) are current in the plan payments under Section 2.1 and if the debtor(s) have provided a copy of their tax return to the trustee. Otherwise, the trustee may apply the balance due to the debtor(s) to cure any arrearage. If the trustee is unable to determine the amount due to the debtor(s) because the debtor(s) have not provided to the trustee a copy of the federal tax return within 60 days of the trustee's receipt of a tax refund, then the debtor(s) are deemed to have forfeited the amount due to them, and the trustee may disburse this amount to creditors as an additional tax refund contributed to the plan.

## **2.3** Additional Payments (Complete if applicable.)

The debtor(s) will make the following additional payments to the trustee: (Describe the source, estimated amount, and estimated date of payment.)

#### Part 3: Treatment of Secured Claims

### 3.1 Maintenance of Payments and Cure of Default, if Any (Complete if applicable).

Installment payments on the secured claims listed in this section, which will extend beyond the life of the plan, will be maintained during the plan, with payments disbursed by the trustee unless "Yes" is listed under "Direct Pay by Debtor(s)?" The holders of the secured claims will retain their liens following the completion of payments under the plan, and any unpaid balance of the claims is not subject to discharge. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated. Any postpetition installment payment changes and fees, expenses, and charges noticed in conformity with Federal Rule of Bankruptcy Procedure 3002.1 will be paid without plan modification by the party designated below to make the installment payment unless otherwise ordered by the court.

The installment payment and amount of arrearage stated in an allowed claim, proof of which is filed, control over any contrary amounts listed below.

If relief from the automatic stay is ordered as to any collateral described below, all payments under this section to creditors secured solely by that collateral will cease unless otherwise ordered by the court.

For each creditor listed in this section, the "Secured Amount" was calculated by valuing the creditor's collateral and subtracting superior liens. For nongovernmental creditors, the debtor(s) request that the Secured Amount be the determinative amount of the creditor's secured claim under Federal Rule of Bankruptcy Procedure 3012 and 11 U.S.C. § 506(a). For governmental creditors, the listed Secured Amount is an estimate with no binding effect; rather, the amount of the governmental creditor's secured claim under Federal Rule of Bankruptcy Procedure 3012 and 11 U.S.C. § 506(a) will be determined by the amount the creditor states in response to Question No. 9 on its proof of claim for "Amount of the claim that is secured" unless otherwise ordered by the court under Federal Rule of Bankruptcy Procedure 3012(c).

If the Secured Amount is greater than the creditor's total claim, the total allowed claim will be paid in full with interest at the rate stated below. If the Secured Amount is less than the creditor's total claim, only the allowed Secured Amount will be paid in full with interest at the rate stated below. Any portion of the creditor's total allowed claim that exceeds the Secured Amount will be treated as an unsecured claim under Section 5.1 of this plan. If the Secured Amount is listed as "Zero" or "None," the creditor's allowed claim will be treated entirely as an unsecured claim under Section 5.1 of this plan.

Monthly payments will be disbursed by the trustee unless "Yes" is listed under "Direct Pay by Debtor(s)?"

Each creditor listed below will retain its lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328,

at which time the lien will terminate and be released by the creditor.

## 3.3 Secured Claims Excluded from 11 U.S.C. § 506 (Complete if applicable.)

The claims listed in this section were either:

- (a) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the debtor(s), or
- (b) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value.

These claims will be paid in full with interest at the rate stated below with payments disbursed by the trustee unless "Yes" is listed under "Direct Pay by Debtor(s)?" The amount of the creditor's claim stated on its proof of claim, if allowed, controls over any contrary amount listed below.

Each creditor listed below will retain the lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328,

at which time the lien will terminate and be released by the creditor.

The judicial liens and nonpossessory, nonpurchase money security interests securing the claims listed in this section impair exemptions to which the debtor(s) would be entitled under 11 U.S.C. § 522(b). Upon entry of an order confirming this plan, the liens listed will be avoided to the extent they impair such exemptions. The amount of a lien avoided will be treated as an unsecured claim in Section 5.1 of this plan. The amount, if any, of the lien interest that is not avoided will be paid in full as a secured claim with payments disbursed by the trustee. If multiple liens on the same collateral impairing the same exemption are being avoided, the liens should be listed and avoided in reverse order of priority, i.e., start with lowest priority lien and proceed to the highest.

If a lien has been avoided, it should not be included in (B). Add (A) plus (B) plus (C) and then subtract (D) to determine (E) Extent of Impairment. If (E) is equal to or greater than (A), the entire lien is avoided and the amount of (F) Secured Claim will be \$0. If (E) is less than (A), only the amount in (E) is avoidable. The difference between (A) and (E) is the amount of (F) Secured Claim.

## 3.5 Surrender of Collateral (Complete if applicable.)

The debtor(s) surrender the collateral listed in this section. The debtor(s) request that the automatic stay under 11 U.S.C. § 362(a) be terminated as to this collateral and the codebtor stay under § 1301 be terminated in all respects upon entry of an order confirming this plan. Any allowed deficiency balance resulting from a creditor's disposition of the collateral will be treated as an unsecured claim in Section 5.1 of this plan if the creditor amends its previously-filed claim within 120 days from entry of the order confirming this plan or by such additional time as the creditor may be granted upon motion filed within that 120-day period.

## 3.6 Secured Claims Paid by Third Party (Complete if applicable.)

Allowed claims entitled to priority under 11 U.S.C. § 507, including filing fees, attorney's fees for debtor(s), certain taxes, and domestic support obligations except as provided below in Section 4.3 or 8.1, will be paid in full without postpetition interest by deferred cash payments before payment of nonpriority unsecured claims in Section 5.1. Notwithstanding the foregoing, the trustee will pay in full allowed claims for prepetition real property taxes filed by a governmental entity at the applicable statutory interest rate, regardless of whether the claim is filed as priority or secured.
